

**BEST
EXTEND**

HAIR EXTENSION AND HAIR LOSS TECHNICIAN

AFTERCARE

HEY!

**THANKS FOR BOOKING IN TO GET YOUR NEW HAIR
EXTENSIONS WITH BEST EXTEND.**

I BET YOU'RE SUPER EXCITED TO GET THEM BUT ALSO A LITTLE
APPREHENSIVE ON HOW TO LOOK AFTER THEM PROPERLY.
DO NOT WORRY! I'VE MADE AN '**AFTERCARE GUIDE**' THAT WILL
ANSWER ALL YOUR HAIR EXTENSIONS QUESTIONS.

TO PUT IT BLUNTLY THEY'RE LIKE YOUR OWN HAIR BUT A BIT
THICKER AND LONGER – BUT THIS GUIDE WILL BE YOUR BEST
FRIEND AND ALWAYS AVAILABLE TO LOOK BACK AT IF YOU DO
HAVE ANY QUESTIONS.

WHAT HAPPENS BEFORE YOUR APPOINTMENT?

BY NOW YOU SHOULD HAVE HAD OR HAVE A CONSULTATION BOOKED. THE CONSULTATION IS ESSENTIAL FOR US BOTH TO GET ON THE SAME PAGE ABOUT WHAT IT IS YOU WANT TO ACHIEVE AND HOW I CAN MAKE THAT HAPPEN, IF REALISTICALLY POSSIBLE. WE WILL DECIDE WHAT LENGTH, COLOUR, THICKNESS AND METHOD YOU WANT TO GO FOR.

ONCE WE HAVE DONE THIS **DO NOT COLOUR OR CUT YOUR HAIR** BEFORE YOUR FITTING AS THIS CAN DRASTICALLY EFFECT WHAT WE HAVE DECIDED IN CONSULTATION.

FOR EXAMPLE; YOUR NATURAL HAIR IS LONG (DOWN TO THE BRA STRAP AREA) AND YOUR ENDS ARE WISPY AND FINE. YOU ONLY WANTED TO ADD A LITTLE 2" LENGTH SO A SMALL AMOUNT OF HAIR WAS DECIDED TO THICKEN UP YOUR OWN. IF YOU THEN HAVE A "GOOD CUT" BEFORE YOUR FITTING THE ENDS OF YOUR HAIR ARE NOW BLUNT AND MORE HAIR IS NEEDED TO COVER THIS LINE! ARE YOU FOLLOWING? I HOPE SO!

ALSO BE CAREFUL FOR SILVER SHAMPOO AND COLOUR FADING. SILVER SHAMPOO CAN DEPOSIT AN ASHIER COLOUR THEN WHAT WE MATCHED TOO. ALSO, IF YOU ARE A NEW TIME BRUNETTE, COLOUR CAN FADE FAST! LET US KNOW AND WE CAN TALK ABOUT WAYS WE CAN HELP ADD A FEW TONES TO HIDE THE FADE OVER THE 6-8WEEKS WEAR PERIOD.

ON THE DAY OF YOUR APPOINTMENT

ON THE DAY OF YOUR FITTING WE NEED YOUR HAIR TO BE CLEAN, STRAIGHT AND DRY PLEASE! IF YOUR HAIR IS IN NEED OF A WASH IT CAN AFFECT THE LONGEVITY OF YOUR BONDS AS CAN MAKE THEM SLIP OUT SOONER THAN IF WE APPLIED ON SQUEAKY CLEAN HAIR. THINGS ALSO TO AVOID ON FITTING DAY ARE; ROOT SPRAY, DRY SHAMPOO, LEAVE IN CONDITIONERS AND GENERAL PRODUCTS. MAKE IT AS CLEAN AND PRODUCT FREE AS POSSIBLE- YOU WILL THANK ME LATER WHEN YOU CAN GO LONGER BEFORE WASHING ALLLLLL THAT HAIR!

PLEASE ALSO HAVE YOUR PAYMENT METHOD CONFIRMED WITH ME BEFORE WE PROCEED. I TAKE CASH, BANK TRANSFER, PAYPAL FRIENDS AND FAMILY ONLY (IF NOT F&F I WILL RETURN PAYMENT AS IT CHARGES ME) AND I HAVE A CARD MACHINE BUT BE AWARE THERE IS A 3% CHARGE FOR CARD PAYMENTS. IF USING BANK TRANSFER YOUR PAYMENT WILL BE PROCESSED BEFORE YOUR HAIR SERVICE HAS STARTED AS I HAVE HAD CLIENTS LEAVE PROMISING TO SEND A PAYMENT THAT HASN'T ARRIVED. SAD BUT TRUE.

PLEASE MAKE SURE YOU'RE HAPPY WITH THE CHOSEN METHOD, COLOUR, LENGTH AND THICKNESS BEFORE THEY ARE FITTED. ONCE APPLIED THEY'RE YOURS! HAIR IS A NON-RETURNABLE PRODUCT DUE TO HYGIENE REASONS SO BY AGREEING YOU ARE GIVING ME THE GO AHEAD TO FIT YOUR LOCKS! NOW THE FUN PART.....

WHAT TO EXPECT AFTER YOUR APPOINTMENT

YOUR MANE IS IN, LOOKING FABULOUS GIRL! NOW IT'S OVER TO YOU.

FIRSTLY.... IT'S GOING TO FEEL A BIT STRANGE. YOU HAVE MORE HAIR WHICH MEANS ADDED WEIGHT TO THE SCALP. IT CAN FEEL TIGHT BUT DO NOT WORRY AS THIS IS PERFECTLY NORMAL. EXTENSIONS ARE FITTED TO LAST, BUT IN THE MOST COMFORTABLE AND SAFEST MANNER.

WHEN YOU GO TO BED THAT EVENING YOU ARE GOING TO FEEL IT MOST. SOME LUCKY FOLK FEEL NOTHING AND OTHERS FEEL DISCOMFORT; BUT THIS ISN'T A SIGN OF A PROBLEM SO DON'T WORRY - IN A FEW DAYS YOU WON'T FEEL THEM AND WON'T WANT TO LIVE ANOTHER DAY WITHOUT THEM.

NOW THE SCIENCE PART – YOUR HAIR NEVER STOPS GROWING; THEREFORE, YOUR BONDS AND WEAVE WILL BE GROWING LOOSER, DAILY MM BY MM. THAT'S WHY AS IT GROWS IT FEELS MORE COMFORTABLE (WOOP). AS AN EXPERIENCED TECHNICIAN I AIM NEVER TO PUT TOO MUCH TENSION ON YOUR OWN HAIR SO EXTENSIONS ARE FITTED IN A VERY SPECIFIC WAY NOT ONLY TO LAST BUT TO CARE FOR YOUR NATURAL HAIR AS IT GROWS.

I WOULD AVOID ANY TIGHT OR HIGH HAIR STYLES FOR THE FIRST FEW DAYS. THIS WOULD LEAD TO MORE TENSION AND DISCOMFORT UNNECESSARILY. KEEP IT LOW IN A PONY OR PLAITS IF IT NEEDS TIED BACK FOR WORK OR GYM ETC.

MAKE SURE YOU HAVE BOOKED YOUR REFIT APPOINTMENT IN ADVANCE IF POSSIBLE AS THESE SLOTS GO FAST! IT IS YOUR RESPONSIBILITY TO BOOK YOUR APPOINTMENTS AND IF YOU FORGET YOU MAY NOT GET BOOKED IN DURING YOUR RECOMMENDED TIME OF WEAR WHICH CAN LEAD TO UNNECESSARY MATTING, DAMAGE TO YOUR OWN HAIR OR BONDS AND WEAVE STARTING TO FALL OUT (NO ONE WANTS A HANGING WEAVE). YOU MAY ALSO BE CHARGED EXTRA FOR GOING OVER THE RECOMMENDED TIME FRAME FOR THE EXTRA WORK INVOLVED.

HOW TO LOOK AFTER YOUR NEW EXTENSIONS.

THIS CAN VARY FOR EACH METHOD SO I HAVE PUT THEM INTO SEPARATE SECTIONS. HAVE A BRIEF READ OF THEM ALL AS ITS HELPFUL TO KNOW HOWEVER CONCENTRATE ON YOUR METHOD.

BONDS

YOUR BONDS ARE WORN FOR A MAXIMUM OF 5MONTHS. THIS IS NOT A GUARANTEE BUT A GENERAL GUIDE. A LOT OF CLIENTS STRETCH THIS AMOUNT OF TIME BUT SOME PEOPLE A LITTLE LESS DEPENDING ON HOW FAST THEIR HAIR GROWS.

ONCE THE BONDS ARE FITTED THE MAIN THING YOU MUST KEEP ON TOP OF IS SEPARATING THE BONDS. THEY WILL TWIST AROUND EACH OTHER NATURALLY AS THEY GROW AND IF YOU LET THEM, IT WILL GET MATTED. ANOTHER MAJOR THING TO AVOID IS GOING TO BED WITH WET OR DAMP HAIR – MATT CENTRAL. HAIR IS MORE ELASTIC WHEN WET AND WE ADVISE YOU ALWAYS DRY YOUR HAIR ESPECIALLY THE BOND AREA. ARE YOU A REGULAR GYM USER? REMEMBER YOUR SCALP WILL BECOME HOT AND SWEATY SO MAKE SURE YOU ARE SEPARATING AND BRUSHING OVER THE ROOT PROPERLY WITH A SOFT BRISTLE BRUSH TO STOP ANY MATTING OCCURRING. IT CAN BE PRETTY UNCOMFORTABLE AT A BOND REMOVAL APPOINTMENT IF YOUR HAIR HAS BECOME MATTED SO AVOID AT ALL COSTS.

ONCE YOU HAVE WORN YOUR BONDS FOR 5MONTHS IT IS TIME FOR A REMOVAL AND A FRESH SET. BONDS ARE EASILY REMOVED IN SALON WHEN YOU KNOW HOW AND HAVE THE CORRECT PRODUCTS – NO DIY REMOVALS! I DO NOT RE-TIP HAIR EXTENSIONS MYSELF AS ITS TOO TIME CONSUMING AND I DON'T FEEL THEY'RE AS STRONG AND CAN SHED HEAVILY AFTER BEING TIPPED. IF YOU WISH TO HAVE YOUR HAIR RE-TIPPED BY A THIRD PARTY THIS IS FINE BUT I CANNOT BE HELD RESPONSIBLE IF THE BONDS DETERIORATE FASTER AND VOIDS MY RESPONSIBILITY OF THIS.

IT IS PRETTY NORMAL TO LOSE SOME BONDS OVER THE TIME OF WEAR. THERE IS NO EXACT NUMBER, IT COULD BE NONE, IT COULD BE 20! EVERY HEAD IS DIFFERENT. I CAN REFIT A COUPLE OF BONDS IN THE FIRST 4WEEKS OF WEAR IF THIS HAPPENS BUT NOT AFTER THAT.

AVOID WASHING YOUR HAIR FOR 48HRS TO ALLOW THE BONDS TO SET.

WEAVES

WEAVES ARE PROBABLY THE EASIEST METHOD TO CARE FOR. INSTEAD OF HUNDREDS OF INDIVIDUAL BONDS OR RINGS THEY'RE USUALLY SEWN INTO THE HAIR OVER 1,2,3 OR 4 ROWS.

MAKE SURE YOUR NATURAL HAIR ISN'T TANGLING BETWEEN THE ROWS AGAIN BY BRUSHING BETWEEN WITH A SOFT BRISTLE BRUSH. GOING TO BED WITH WET OR DAMP HAIR AND GOING TO THE GYM AND SWEATING CAN CAUSE MATTING AT THE ROOT; SO, BRUSH WELL IN-BETWEEN.

YOUR WEAVE SHOULD BE REFITTED EVERY 6-8WEEKS AND THAT'S WHAT MOST CLIENTS DO. CLIENTS WHO HAVE SUPER FINE HAIR AND ARE PRONE TO SLIPPING OR CLIENTS WHO LIKE THEIR HAIR TIGHT ALL THE TIME COME IN SOONER AND SOME LET IT HANG FOR DEAR LIFE UNTIL 10WEEKS. I DO NOT ADVISE ANY LONGER THAN THAT AT ALL TO PROTECT YOUR OWN HAIR. YOU WILL SOON LEARN WHAT IS RIGHT FOR YOU BUT I'D RECOMMEND 6-8WEEKS FOR YOUR FIRST REFIT.

YOU CAN WASH YOUR HAIR AS SOON AS YOU LIKE AFTER FITTING BUT I'D WAIT A WHILE..... THERE IS A LOT OF HAIR TO DRY!

TAPES

TAPES NEED REFITTING EVERY 6-8 WEEKS ON AVERAGE DEPENDING ON HAIR GROWTH AND THICKNESS. IF YOUR HAIR IS FINER YOU MAY START TO SEE THEM AS IT GROWS DOWN. WHEN TAPES START TO TWIST; IT'S A SIGN IT IS TIME FOR A REFIT.

TAPES CAN SLIDE OUT DURING A COLOUR SERVICE SO BE AWARE OF THIS. THEY CAN ALSO BE AFFECTED BY CERTAIN PRODUCTS SUCH AS SILVER SHAMPOO, CONDITIONER, OILS AND HAIRSPRAYS THAT CAN WEAKEN THE TAPE WHICH WILL MAKE THEM SLIDE OUT. TRY KEEP ALL PRODUCTS AWAY FROM THE TAPE EXCEPT YOUR SULPHATE FREE SHAMPOO.

TAPES CAN BE A LITTLE UNCOMFORTABLE ON REMOVAL. YOU WANT THEM TO LAST A WHILE SO PRIZING THE TAPE APART CAN BE TOUGH; BUT WE KNOW WHAT WE ARE DOING. THERE MAY BE A STICKY RESIDUE LEFT IN YOUR HAIR AFTER A REFIT, THIS IS NORMAL AND WILL WASH AWAY AFTER IT HAS BEEN SHAMPOOED AT HOME.

BECAUSE I NO LONGER HAVE A BACKWASH IN THE SALON TAPE REFITS CAN HAPPEN IN 2 WAYS. 1- REMOVAL AND REFIT IN SAME APPOINTMENT. AS IT SAYS ON THE TIN, WE WILL REMOVE, TAKE OFF OLD TAPE, ADD NEW TAPE AND REFIT ALL IN THE SAME APPOINTMENT. IT CAN BE STICKY AND A WAIT AS WE RE-TAPE.

2- REMOVAL ON ONE APPOINTMENT, YOU GO HOME TO WASH AND DRY YOUR HAIR AND RETURN ANOTHER DAY FOR THE TAPES TO BE REFITTED. I WILL HAVE RE-TAPED THE EXTENSIONS BEFORE YOU ARRIVE SO APPLYING THEM IS FASTER THAN A REFIT AS GOING STRAIGHT INTO CLEAN HAIR AGAIN.

PLEASE AVOID WASHING HAIR FOR 48HRS TO ALLOW THE TAPES TO SET.

ALL RING METHODS

THIS INCLUDES ALL YOU NANO, TINY TIP, MINI TIP AND ULTRA-TIP LADIES. RINGS NEED REFITTING EVERY 6-8 WEEKS. I HAVE SOME CLIENTS WHO LOVE THEM TIGHT SO COME EARLIER AND OTHERS THAT COME AT 10 WEEKS. I DO NOT RECOMMEND ANY LONGER THAN THIS TO KEEP NATURAL HAIR HEALTHY! SOME CLIENTS ALSO HAVE EXTENSIONS REMOVED ON ONE APPOINTMENT, HAVE THEIR HAIR COLOURED ELSEWHERE AND RETURN FOR THEM REFITTED- THIS IS GOOD FOR YOU GIRLS WHO LOVE THEIR COLOUR ALL OVER NOT JUST ON THEIR TOP SECTION. IF YOU GO LONGER THAN 10 WEEKS AN ADDITIONAL CHARGE MAYBE APPLIED FOR THE EXTRA WORK INVOLVED.

LIKE BONDS THE MAIN THING TO LOOK OUT FOR IS MATTING AT THE ROOT. ENSURE YOU'RE SEPARATING ON A DAILY BASIS AND BRUSHING OVER THE ROOT WITH A SOFT BRISTLE BRUSH. NEVER GO TO BED WITH WET OR DAMP HAIR AND DRY YOUR HAIR AFTER A SWEATY GYM SESSION. WET HAIR CAN CAUSE MATTING AS THE HAIR IS MORE ELASTIC AND MIXED IN WITH YOUR NATURAL SHED HAIR CAUGHT IN THE RING – MATTING CENTRAL IF NOT LOOKED AFTER!

ON A REFIT YOUR HAIR EXTENSIONS WILL BE TAKEN OUT ROW BY ROW AND THE ROOT BRUSHED OUT THEN REFITTED WITH A FRESH RING SO ANY MATTING WILL BE UNCOMFORTABLE AND WE WANT TO AVOID THIS.

IF YOU LOSE ANY STRANDS KEEP A HOLD OF THEM! THEY CAN GO BACK IN YOUR HAIR ON YOUR REFIT AS THEY'RE REUSABLE. SOME PEOPLE DON'T LOSE ANY STRANDS AND OTHERS CAN LOSE 20, IT COMPLETELY DEPENDS ON THE INDIVIDUAL SO DO NOT PANIC. IF YOU LOSE MORE THAN 10 IN THE FIRST 4 WEEKS I CAN REAPPLY THESE FOR YOU BEFORE YOUR REFIT AND FIGURE OUT WHY IT IS HAPPENING.

ITS BEST TO AVOID OILS AND SOME PRODUCTS ON THE RING AREA TO AVOID ANY SLIPPING OUT, SO PRODUCTS ON MID LENGTHS AND ENDS ONLY.

WASHING YOUR HAIR EXTENSIONS

ITS RECOMMENDED TO WASH YOUR EXTENSIONS 1-2 TIMES A WEEK. THE MORE YOU WASH AND DRY YOUR HAIR THE MORE HEAT ON THE EXTENSIONS WHICH AFFECTS ITS LIFE SPAN. HOWEVER, IF YOU FEEL YOU NEED TO THEN GO FOR IT..... JUST USE PLENTY OF HEAT DEFENCE AND OILS ETC TO PROTECT YOUR LOCKS. USE A DRY SHAMPOO IN BETWEEN WASHES IF NECESSARY.

EXCESSIVE WASHING CAN CAUSE YOUR EXTENSIONS TO LOOSEN QUICKER.

REMEMBER ALL THE RULES – DO NOT GO TO BED WITH WET HAIR! NO MATTER HOW TEDIOUS BLOW DRYING MAY BE IT WILL CAUSE YOUR HAIR TO MATT UP VERY QUICKLY AND BE VERY UNCOMFORTABLE TO BUSH OUT.

YOU SHOULD ALWAYS USE SUITABLE SHAMPOO AND CONDITIONERS ON YOUR HAIR EXTENSIONS. WE RECOMMEND A SULPHATE FREE PRODUCT. WE SELL OUR OWN BRAND OF PRODUCTS THAT WE HAVE TRIED AND TESTED, THAT WILL LEAVE YOUR HAIR LOOKING AND FEELING AMAZING. WE CANNOT GUARANTEE ANY PRODUCTS BOUGHT ELSEWHERE; WHY SPEND GOOD MONEY ON HAIR EXTENSIONS AND USE PRODUCTS THAT CAN HARM THEM AND THEREFORE WE WILL NOT BE RESPONSIBLE IF THEY AFFECT THE HAIR QUALITY AND LONGEVITY.

RATHER THAN WASHING YOUR HAIR EVERY TIME, TRY A TOP WASH IN-BETWEEN! THIS IS JUST WASHING YOUR NATURAL HAIR ON THE TOP WHICH HAS NO EXTENSIONS IN OVER THE SINK OR BATH AND KEEPING YOUR EXTENSIONS OUT OF THE WAY IN A LOW BUN.

MON - FULL WASH

WED – TOP WASH

SAT – FULL WASH

MON – TOP WASH ETC.

BEFORE WASHING WE ADVISE TO DETANGLE YOUR EXTENSION HAIR WITH A TANGLE TEASER OR EXTENSION BRUSH AND SEPARATE BONDS. WHEN WASHING DO NOT TIP HAIR OVER THE BATH AS IT CAN CAUSE TANGLING- ALWAYS WITH HEAD UPRIGHT - SHOWER IS IDEAL. SMOOTH SHAMPOO OVER THE HAIR, DO NOT RUB VIGOROUSLY! ONLY CONDITION FROM MID LENGTHS AND DOWN TO ENDS – NOT ON BONDS AND RINGS AS IT CAN CAUSE SLIPPAGE.

PAT HAIR TO DRY AND DO NOT RUB.

DRYING YOUR HAIR EXTENSIONS

BEFORE DETANGLING WE ADVISE YOU USE A LEAVE IN CONDITIONER SPRAY AND SOME HAIR OIL (WE LOVE THE BEST EXTEND ARGAN OIL). MAKE SURE ALL THE BONDS, RINGS AND TOP OF WEAVES ARE DRIED COMPLETELY! BE VERY CAREFUL WHEN BRUSHING WHEN THE HAIR IS WET, MAKE SURE YOU SUPPORT THE EXTENSIONS BY HOLDING THE BONDS AS AN ANCHOR.

FOR A SLEEK FINISH, SECTION OFF YOUR HAIR AND DRY WITH A BLOWDRY BRUSH – OUR FAVOURITE IS THE BEST EXTEND ROUND 'BLOW OUT' BRUSH WHICH IS GREAT FOR A SMOOTH BLOW DRY. DRY YOUR EXTENSIONS AS YOU WOULD NORMALLY DO YOUR OWN, BUT BE CAREFUL YOU DON'T PULL TOO HARD OR PUT TOO MUCH TENSION ON THEM AND PULL THEM OUT OR GIVE YOURSELF A SORE SCALP.

YOUR HAIR MAY FEEL FLUFFY ONCE DRY SO USE A HEAT PROTECTOR AND FINISH WITH A GOOD QUALITY STRAIGHTENING IRON THAT WILL NOT PULL YOUR HAIR. LETTING YOUR HAIR AIR DRY IS FINE DURING THE DAY AS LONG AS YOU HAVE DRY BONDS BY BED TIME – BUT BE AWARE THEY WILL BE FLUFFY AND FRIZZY UNTIL TAMED WITH HEAT AND PRODUCTS. BE CAREFUL WHEN USING HEATED APPLIANCES AROUND THE BOND AREA IN CASE YOU SNAG THE BONDS. STRAIGHTENERS, TONGS AND HEATED ROLLERS ETC ARE ALL FINE FOR EXTENSIONS BUT USE A GOOD HEAT DEFENCE SPRAY EVERY TIME YOU USE HEAT.

BRUSHING AND STYLING YOUR HAIR EXTENSIONS

ALWAYS REMEMBER YOUR EXTENSIONS ARE JOINED TO YOUR NATURAL HAIR, PULLING TOO HARD OR MISTREATING YOUR EXTENSIONS CAN RESULT IN YOUR HAIR BEING PULLED OUT.

THE ONLY BRUSH YOU SHOULD USE NEAR TO THE BONDS IS YOUR SOFT BRISTLE EXTENSION BRUSH WHICH WILL GLIDE OVER YOUR BONDS, RINGS AND WEAVE ROWS. WHEN BRUSHING THE EXTENSIONS ALWAYS HOLD THE BONDS OR WEAVE ROW TIGHTLY AS A SUPPORT, MAKING SURE NO ADDITIONAL STRESS IS PUT ON THE HAIR.

BRUSHING HAIR WHEN WET IS A NO NO! THE EXTENSION ATTACHMENT IS MOST FRAGILE WHEN WET AND CAN GET KNOTTY EASILY. BLAST THE HAIR OFF A LITTLE BEFORE SECTIONING AND BLOW DRYING WITH A BLOW-OUT BRUSH.

TIE HAIR IN A LOOSE PLAIT OR PONYTAIL FOR BED USING A SLINKY BOBBLE OR A SCRUNCHIE. STYLING YOUR NEW WEAVE CAN BE A LOT OF FUN BUT PLEASE UNDERSTAND YOUR EXTENSIONS ARE FITTED IN YOUR HEAD TO SUIT THE MAJORITY OF HAIR STYLES BUT MAINLY TO WEAR DOWN. HALF UP AND DOWN STYLES OR SLICK PONYTAILS CAN BE DIFFICULT TO COVER WITH EXTENSIONS.

COLOURING YOUR HAIR EXTENSIONS

WE DO NOT RECOMMEND COLOURING HAIR EXTENSIONS AS THIS CAN DIMINISH THE LIFE SPAN OF THE HAIR AND VOIDS ANY WARRANTY WITH THE SUPPLIER. HOWEVER OVER TIME, HAIR EXTENSIONS, LIKE OUR OWN HAIR, CAN FADE OR TURN BRASSY AND WE MAY NEED TO TONE THEM BACK TO ITS ORIGINAL COLOURING. THIS TIME FRAME WILL BE OUT OF YOUR SUPPLIER WARRANTY SO WE RECOMMEND IF YOU NEED TO TONE THEM FURTHER DOWN THE LINE TO ENSURE YOU USE A HAIR MASK AND ADD LOTS OF NOURISHMENT TO AVOID DRYING OUT YOUR HAIR.

AGAIN, WE DO NOT RECOMMEND COLOURING YOUR OWN HAIR WITH EXTENSIONS IN, HOWEVER APPRECIATE THIS MUST BE DONE IN SOME CASES. WE ALWAYS SAY TO ONLY COLOUR THE TOP SECTION AND PERIMETER, WHERE NO EXTENSIONS ARE PLACED, WHEN YOU ARE WEARING YOUR EXTENSIONS AS COLOUR CAN BREAK DOWN THE BONDS AND AGAIN DIMINISH THE HAIR LIFE SPAN. TINTS ARE MUCH KINDER TO THE NATURAL HAIR SO THIS IS THE PREFERRED COLOUR IF YOU NEED TO LADIES.

WE DO NOT RECOMMEND BLEACHING HAIR EXTENSIONS AS THIS CAN COMPLETELY CHANGE THE CONDITION AND COLOUR OF THE HAIR, BECAUSE WE DO NOT KNOW WHAT THE ORIGINAL DONOR HAIR HAS BEEN THROUGH AND PROCESSED TO GET TO ITS COLOUR YOU HAVE PURCHASED. WE ALSO DO NOT RECOMMEND FULL HEAD BLEACHING WHILE WEARING EXTENSIONS.. BLEACH IS AN EXTREMELY POWERFUL PRODUCT AND CAN SNAP HAIR, REMEMBER ALL OUR BLEACH DISASTERS GIRLS. IF WEARING EXTENSIONS THE BLEACH CAN SOMETIMES BECOME TRAPPED AND IF NOT RINSED CORRECTLY CAN OVER PROCESS AND CAUSE THE HAIR TO SNAP. WE HAVE ALL HAD BLEACHING DRAMA GIRLS..... TO AVOID ANY DAMAGE, REMOVE HAIR EXTENSIONS FIRST IF YOU WANT A FULL HEAD BLEACH!

IMPORTANT THINGS TO REMEMBER

I DO NOT RECOMMEND COLOURING, TINTING OR PERMING THE EXTENSIONS AS THESE PRODUCTS HAVE ELEMENTS THAT CAN DAMAGE EXTENSION HAIR. DOING SO AUTOMATICALLY VOIDS ANY RETURNS POLICY WITH THE SUPPLIER – **AND THEY WILL TEST SO DON'T LIE!** THIS MEANS ANY GENUINE FAULT WITH THE HAIR WOULD NOT BE RECTIFIED AS THEY WOULD BLAME THE CHEMICAL PROCESS.

THE MORE HEAT YOU USE ON THE HAIR EXTENSIONS THE SHORTER THE LIFESPAN OF THE HAIR, TREAT THEM WITH THE SAME RESPECT AS YOUR OWN NATURAL HAIR.

KEEP CURLING AND STRAIGHTENING TO A MINIMUM.

LIGHTER SHADES TEND TO HAVE A SHORTER LIFE SPAN THAN DARKER COLOURS. LIGHTER COLOURS WILL NEED EXTRA HEAT CARE AND LESS HEAT APPLICATION TO LENGTHEN THE LIFE SPAN. COLOURS CAN FADE OVER TIME AND WILL HAPPEN FASTER THE MORE IT'S WASHED AND HEAT DAMAGE.

SILVER SHAMPOO CAN GRAB VERY QUICKLY MAKING YOUR BLONDE HAIR PURPLE VERY QUICK! WATER IT DOWN BUT USED AT YOUR OWN RISK. IT CAN ALSO DRY YOUR HAIR OUT OVER TIME.

HOLIDAYS AND EXTENSIONS

VACAY WITH EXTENSIONS WILL ALWAYS BE AT YOUR OWN RISK. SAYING THAT, IF YOU DO GO AWAY WITH THEM IN (LIKE MYSELF AND HUNDREDS OF CLIENTS) THEN READ OVER THIS SECTION.

THIS IS TO BE FOLLOWED ON TOP OF YOUR NORMAL EXTENSION AFTERCARE REGIME. I DO NOT ADVISE SWIMMING WITH YOUR EXTENSIONS AS THE CHEMICALS CAN DISCOLOUR YOUR HAIR, DRY IT OUT AND DAMAGE THE BOND AREA. THE WATER CAN ALSO CAUSE MATTING.

IF YOU DO SWIM FOLLOW THESE GUIDE PRECAUTIONS:

BRUSH YOUR HAIR AND ENSURE ITS TANGLE FREE THEN PLACE YOUR EXTENSIONS IN A BRAID. **DO NOT, I REPEAT DO NOT, GO IN THE HAIR WITH YOUR HAIR IN A BUN – IT WILL MATT TOGETHER!** I HAVE HAD CLIENTS DO THAT AND SPENT HOURS OF THEIR HOLIDAY TRYING TO SORT IT OUT.

AVOID GETTING THE EXTENSION HAIR WET WHERE POSSIBLE. EVEN THE HOTEL WATER CAN AFFECT YOUR HAIR EXTENSIONS AS FOREIGN WATER CAN HAVE A HARD WATER MINERAL CONTENT.

IF YOU DO HAVE DISCOLOURATION (PINK AND ORANGE TONES) YOU WILL NEED TO PURCHASE THE MALIBU C HARD WATER SACHETS. THEY ARE GREAT AT REMOVING THE DISCOLOURATION. IF YOU YOUTUBE ADDITIONAL LENGTHS – MALIBU C HARD WATER WELLNESS YOU CAN SEE A VIDEO ON HOW TO USE THE PRODUCT.

PRODUCT RECOMMENDATIONS

WE HAVE VIGOROUSLY TESTED AND TRIALLED MANY BRANDS OF HAIR PRODUCTS AND HAD OUR COMPANY TAILOR MAKE PRODUCTS TO SUIT HAIR EXTENSIONS PERFECTLY.

SHAMPOO AND CONDITIONER - TO BE USED EVERY TIME

BEST EXTEND SHAMPOO – SULPHATE AND PARABEN FREE

BEST EXTEND CONDITIONER – SULPHATE AND PARABEN FREE

OLAPLEX SHAMPOO AND CONDITIONER

MOROCCAN OIL REPAIR SHAMPOO AND CONDITIONER

HEAT PROTECTOR – EVERY TIME YOU USE

HEAT ON YOUR HAIR

BEST EXTEND SHAKE AND PROTECT

MOROCCAN OIL HEAT PROTECTOR

HAIR TREATMENTS

BEST EXTEND EXTENSION BOOST MASK

BEST EXTEND PROTEIN SPRAY

MOROCCAN OIL REPAIR MASK

OIL – DAILY IF HAIR IS FEELING DRY, EVERY FEW

DAYS TO KEEP FEELING SOFT

BEST EXTEND ARGAN OIL

MOROCCAN OIL

BRUSH FOR GENERAL USE

BEST EXTEND SOFT BRISTLE BRUSH

BEST EXTEND PALM DE TANGLER

REMI CACHET PINK BRUSH

BRUSH FOR BLOW DRYING

BEST EXTEND BLOW-OUT BRUSH

GREAT LENGTHS ROUND BRUSH

PLEASE AVOID ANY SUPERMARKET SHAMPOOS AND CONDITIONERS. THEY ARE NOT GOOD FOR YOUR NEW WEAVE OR YOUR OWN HAIR. DO NOT SPEND A LOT OF MONEY ON YOUR EXTENSIONS TO USE POOR QUALITY PRODUCTS WHICH WILL SHORTEN THE LIFE SPAN, DISCOLOUR AND DRY OUT YOUR NEW LOCKS UNNECESSARILY.

THIS MAY SEEM LIKE A LOT TO TAKE IN BUT HONESTLY ONCE YOU'RE AWAY, YOU'RE FLYING AND WON'T LOOK BACK! ANY QUESTIONS I'M ONLY A MESSAGE AWAY.
